

UNITED STATES DISTRICT COURT  
FOR THE EASTERN DISTRICT OF MICHIGAN  
SOUTHERN DIVISION

LASHAUNA LOWRY, as Next  
Friend of Titus Jermaine  
Cromer Jr.,

Plaintiff,  
v.

Case No. 19-13293  
Honorable Mark A. Goldsmith  
Honorable Victoria A. Roberts, Presiding<sup>1</sup>

BEAUMONT HEALTH,

Defendant.

**AMENDED TEMPORARY RESTRAINING ORDER**

Defendant Beaumont Health filed an Emergency Motion to Modify Temporary Restraining Order [ECF No. 5]. It requests that the Court remove certain language from the Temporary Restraining Order entered on November 8, 2019 that commands Defendant to “not take any action that would necessarily and inevitably lead to Titus’ death.” Defendant objects to this language, since it already certified Titus deceased as of October 24, 2019.

In its Order, the Court intended only to maintain the *status quo* and not impose a duty on Beaumont to avoid something it believes has already occurred, but which is a main issue in this case.

---

<sup>1</sup> This case is assigned to the Honorable Mark A. Goldsmith. However, due to his unavailability, this emergency matter was referred to the presiding judge.

Accordingly, the Court amends its Temporary Restraining Order. Beaumont is ordered to continue to provide the level of care it currently extends to Titus. Beaumont is not required to perform tracheostomy and PEG procedures.

All other provisions of the Court's Temporary Restraining Order issued on November 8, 2019 remain in effect.

**IT IS ORDERED.**
